

FOR USE WITH ANALYTICAL INSTRUMENTATION SYSTEMS

> INTEGRITY MAX SERIES UPS LINE

GenTech has partnered with NXT Power to bring you the Integrity Max, a true online double conversion UPS. Its sleek, forward-thinking, and eco-friendly design provides stable and uninterrupted power for your mission-critical application with industry-leading efficiency, durability, and performance.

POWER QUALITY YOU CAN RELY ON

The industry-leading UPS Line is built to power sophisticated computer loads—systems with high inrush current and high crest factors—which eliminates oversizing and reduces operating costs. You can custom design the output receptacle panel and input line cord for faster and simpler onsite set up.

SUITABLE FOR USE WITH:

- > Analytical Instrumentation
- > Sophisticated computer loads
- > Industrial Microprocessor Equipment

SUPERIOR POWER PROTECTION BENEFITS & FEATURES

- Help your customers protect their electronic systems and ensure uninterrupted uptime all day, every day
- Enjoy peace of mind knowing equipment is protected from problems due to common-mode voltage, power outages, spikes and transients, and more
- UL Listed and CE marked
- Worldwide voltage and frequency options provided by online inverter
- Unity output power factor for most units
- Stable output over a wide range of input voltage and frequencies
- (New) Online double conversion topology Product line options range from 2 kVA to 10 kVA
- All models include NXT Power three-year warranty on batteries, parts and labor

ADDITIONAL PRODUCT INFORMATION

- Enclosure: 28.4 in x 11.75 in x 33.0 in
- Unit weight for model NPTU2200-0 to NPTU60000-0 is 276 LBS/125 KGS
- Unit weight for model NPTU8200-0 to NPTU10.0-0 is 317 LBS/144 KGS

ADD-ONS

- We offer additional battery cabinets and seismic brackets for all UPS models.
- Custom PDU (rear panels)
